

# Application Process for Anything Grows Community School (ages 4–13) 2006 – 2007

## I. PRE-APPLICATION

Once you have read about our programs and had your initial questions answered, we ask that you do the following:

- a. Schedule an informational meeting or phone appt. with an administrator
- b. Tour our facilities (a. and b. can be combined)
- c. Visit the classroom and talk to the adult facilitator

## II. APPLICATION

Complete & submit:

- a. Application
- b. Pre-interview Survey (one for parents, one for child)
- c. Community Agreement (acceptance by all family members)

## III. ENROLLMENT APPOINTMENT

Our staff will schedule an appointment with you and your child.

## IV. BEFORE ENROLLMENT DECISION IS MADE

We require attendance to at least one community meeting prior to any final decision about enrolling your child, if possible, and no later than start of the school year.

## V. UPON ACCEPTANCE INTO THE PROGRAM

Upon our mutual agreement to enroll your child into the program, we will schedule a time to discuss your family's agreement with Anything Grows that details both the amount of tuition you will pay for the year and the number of hours/month you will commit to assist the community in its fundraising goals.

You will then be asked to make a non-refundable deposit which will be counted as one of 12 equal payments towards your agreed-upon tuition. (See explanation of tuition agreements in attached sheet.) This deposit will hold a position for your child. (Ask Penny Chambers about part-time possibilities for your child.)
